

## **The Huff & Mitchell Company**

The Huff & Mitchell Company, incorporated 1902; capital \$25,000, is one of Gaylord's substantial manufacturing industries. This company is makers of "the yellow wagon" and hardwood block sleighs. They build to order drags and skidding wheels, do all kinds of repair work, both wood and iron, and carry on a general blacksmith business.

This company deals in farm machinery and implements of all kinds, deep in stock a complete line of buggies and carriages and do a fine business in these lines.

The Huff & Mitchell Manufacturing Co. is officered as follows:

President – Thos Murphy

Vice-president – F.J. Shipp

Secretary – O. W. Farrar

Treasurer and Manager – D. K. Mitchell

These gentlemen with the addition of Jas. McKibbin and Wm. Shepard also make up the board of directors.

Mr. Mitchell's thorough business ability has placed the company upon a solid basis and their business now amounts to upwards of 30,000 per year. Employment is given to ten people.
