

HAPPY BIRTHDAY

to

OTSEGO COUNTY

The celebration of a birthday is always a noteworthy occasion.

However, when you've had as many birthdays as Otsego County, they tend to become routine. But not this one! A hundred birthdays is a long time. And, as they say, "A lot of water has gone over the dam." Through thick and thin you made it. Congratulations!

We at First National of Gaylord look forward to growing with you the next 100 years.
