Gaylord's Class "A" Certified Industrial Park

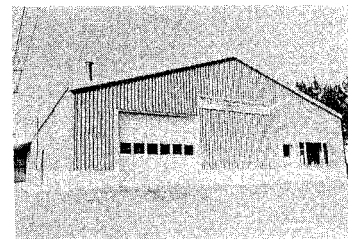

Encompassing 172½ acres of extremely accessible land, just west of the city, Gaylord's Air Industrial Park boasts Class "A" features like: city water and sewer, paved and lighted streets and all utilities. Our locations provide for an economic and efficient system of supply and distribution. Our park is specifically designed to answer the needs of growing businesses like yours. We're a community with vision and we mean business.

Northeast Consortium Machinist School

Affiliated with North Central Michigan College, Gaylord's machinist school provides a 16 week school for job training for students. During the course, the student is expected to complete 7 textbooks on Machinery, Welding and Blue Print reading, 3 to 4 hours homework every night and is tested each week.
