EAA Chapter 1095

April 2006

New Meeting Dates and Times Next Meeting will be April 19 at 7:30pm

President's Corner

by Vic Briley

Greetings fellow flyers:

Phil Curtiss, Jon Study, and I are going to Oshkosh for the June 3rd & 4th volunteer weekend. We have room for one more if anyone is interested. EAA will provide meals and lodging. We are splitting the cost of fuel for the trip in my Cardinal. The EAA AirVenture museum is presenting a SpaceShipOne Exhibit on the 3rd. This exhibit will give you an insider's view of SpaceShipOne. Doug Hancock also stated that he would fly also if more people wanted to volunteer. I have also received word that you do not have to be a member of EAA to volunteer. Youngsters between the ages of 14 and 17 are also welcome with written parental consent.

Also in the works is the B-17 visit to Gaylord on Sunday, June 25th. The Airport Advisory Committee is having a meeting on April 12th at the Sportsplex at 1 pm. All chapter members are welcome to come. [Editor's note: I suggest we have a large representation of the Chapter to

April Meetings

by Phil Curtiss

Please note that we have changed the dates of the regular monthly meetings of the Chapter. The new meeting dates will be the second Wednesday of each month at 7:30pm. However, because the second Wednesday of April conflicts with Sun 'n Fun we changed April's date to the third Wednesday, April 19.

Last month we had an interesting discussion on participating in the arrival of the B-17. Now we hear that the Airport Advisory Committee is having second thoughts about our participation. They wonder if they and we can handle the crowds and aerial activities. It is likely the B-17 will be parked on the ramp near the big County hanger. We would then run the Young Eagles out of the Terminal. Should the B-17 be parked in front of the Terminal we could run the Young Eagles out of the Chapter House.

This seems to be an excellent opportunity for the Chapter. If we are still enthusiastic about this we should have a sizable

- Apr 19** **Meeting at the Airport at 7:30 pm (Meeting is one week later due to Sun 'n Fun)**
- May 10** **Meeting at the Airport at 7:30 pm**
- Jun 14** **Meeting at the Airport at 7:30 pm**

March Meeting Minutes

The March 19th meeting was called to order by President Vic at 2:05 PM.

Visitors today were Bill & MaryAnn Rutherford. Bill asked to speak to our group. He advised that he had information that the B-17 (YANKEE LADY) from the Yankee Air Force Museum at Willow Run would be at Grayling on June 25 and could come to Gaylord same day. Would we be interested in providing a breakfast or lunch for the crowd it would draw. There is also a BMW motorcycle club that would probably come. Group discussion showed interest. Further information will be forthcoming.

Motion by Tom Lesinski that the minutes from last meeting be accepted as printed in our Newsletter. This was supported by Louie. Motion passed.

The Treasurers report showed that we have \$2,083.81 at this time. A motion by Doug that report be accepted as presented. This was seconded by Louie, motion passed.

President Vic advised he has correspondence from EAA in Oshkosh and information they are looking for volunteers on several weekends before the EAA meeting in July. See Vic if you're interested, Vic further advised he would fly people over if they split the fuel costs.

Ken advised us that he has changed his mind and he will put his Pitts in the Alpenfest Parade. I believe everyone thanks Ken.

Election of new Board member: Tom nominated Ken Schlemmer and this was supported by Phil. The motion was then amended that Ken be elected by unanimous vote. Motion passed.

Meeting Dates: a discussion held on possibility of changing our meeting to the

second Wednesday of the month. Further discussion revealed that April 12 would conflict with Sun 'n Fun at Lakeland so the next meeting would be held a week later on April 19. Meetings after that would be held the second Wednesday of the month at 7:30 pm. Motion passed. Next meeting will be April 19, 2006 at 7:30 pm.

President Vic advised there would be a Board of Directors meeting after the regular meeting.

The program for this month was a tape on operations at a Towered Airport.

Motion by Phil, seconded by Tom that meeting adjourned. Motion passed.

John Hughes, Secretary

show we want this.] The AAC is having second thoughts about having Young Eagles and a meal provided by our chapter while so much other stuff is going on at the airport. I don't see it as a problem if we have enough manpower and do the necessary pre-planning. I would like your input. If AirVenture can handle 750,000 people in one week, I'm sure that we can handle the small crowd that Gaylord will have.

Keep the blue side up.

Victor Briley
