Inspired Collaboration

GACA has been working with the Sportsplex Summer Day Camp to bring art & music to children ages 4-13. GACA donated a large amount of art supplies to the camp. We have been inspired by the results. 11 works of campers' art will be used as inspiration for our artist to create a work of art. Campers art was also displayed at the CEE art in the Garden Festival.

The Plex camp and GACA will be walking in the Alpenfest Parade to promote the arts anyone is welcome to join us.

"Every child is an artist. The problem is how to remain an artist once he grows up."
Pablo Picasso

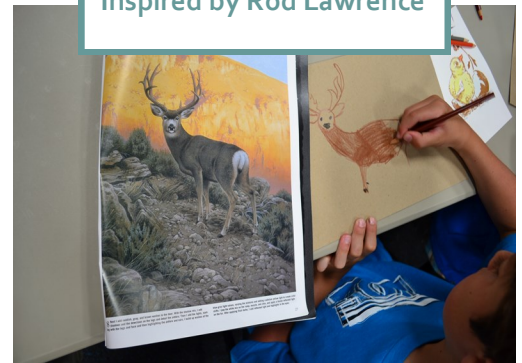

Thank you!

Nelson Gast has been performing for the day camp kids. Nelson created music to accompany the wildlife art of Rod Lawrence. Cheers of "play it again!" could be heard at the center. Artist Carlene Lagrou brought her works of art to also guide the young artists. Sandra Hines had a great time hosting the crew at the center. Thank you all for volunteering your time!

Inspired by Rod Lawrence

Thank you to all GACA volunteers! We are always looking for volunteers to work at the Gallery call or email if you can help us.

Community Outreach

The Rod Lawrence workshop was a great success. GACA artists enjoyed the 2 day class at the Sportsplex. Having the class at the Plex allowed the community to be introduced to talented local artists. This helps us to achieve our mission: **Enhancing the quality of life in our community through the Arts.**

Harmonie Meisters

Since 1995, the Harmonie Meisters have been sharing their gift and love of music with the residents of Northern Michigan. Gary Grieger, VP for Public Relations notes: "Our biggest show is the Bush League Competition in August. This is a Barbershop quartet competition that got it's start in 1947 in Boyne City. The Harmonie Meisters took over sponsorship of the competition in 1995".

This is an all day event where newly formed barbershop quartets from around Michigan, who have never won anytime in a competition, are invited to compete for the top three spots. The winner is given a trophy that has passed each year since 1947, the coveted Brass Gaboon, a spittoon from the hotel lobby where the first competition was held.

The competition will take place on Saturday, August 24th at the E Free Church in Gaylord. The competing quartets will take turns singing in the morning and will be judged and coached throughout the day. The top three quartets will perform in the evening at the "Show of Champions" along with last year's winners, the "Classic Fit", the Harmonie Meisters of Gaylord, and 2012 State Champions "Majestix". This will be a great show for anyone who loves Barbershop Quartets, one of the five original art form started in the USA.
